

How to Use the Scrip Program

A friendly, painless and truly no-brainer fundraising program. Last year we raised over **\$13,000** for the St. Robert Community.

Here's how it works:

- The parish purchases gift cards at a discount from a variety of retailer (e.g., we pay \$9 for a \$10 card).
 - You purchase gift cards/certificates from our program and pay the face value of the card (e.g., you pay \$10 for a \$10 card).
 - St. Robert gets the difference!
- You pay with **cash/check** for your Scrip purchase. No credit cards.
- Or
- You can sign up for the online prestopay program at shopwithscrip.com (instructions on back)

How to start:

- Review the green order form
- Choose a business that you frequent (Sendik's, Roundys, Walgreens)
- Decide how much you might spend in a week or two
- Purchase that amount
- Return completed form to school office via this folder or in person

Many cards are available in the parish office located at the SE corner of the parking lot or in back of church after all weekend Masses. All cards can be ordered on the form or by contacting me.
