

## **St. Robert Fair Plant Sale**

### ***What's the Plant Sale?***

It's a fundraiser that supports the parish. We sell flowers herbs and vegetables that people usually buy anyway – and the money goes to the parish. A financially strong parish helps all of its ministries - making a financially strong School, Religious Education program, Youth Ministry etc.

### ***Why is it The Fair Plant Sale?***

- Because it happens at the same time - planting time!
- Because the profits add to the total profit of the Fair, which all go to the parish
- Also - we thought if we do this for the Fair ahead of time we could just sit and relax and have fun at the Fair! But it didn't work out that way – we have our own jobs for the Fair so we're still working!

### ***Why order?***

Why not? Aren't you buying plants sometime during the season? Buy from us and support your Parish! Our quality plants are from Shady Lane Greenhouse in Menomonee Falls -check out our pictures which will be posted in church.

### ***Are you a novice gardener?***

Some people have told us they don't order from the Plant Sale because they are not gardeners and don't know what to plant. We'll have some info appearing in the next few weeks on common gardening issues but if you have questions just call us!
