

SHROUD OF TURIN

EXHIBIT

**Coming to the Catholic Community
of Waukesha at St. Mary's Parish!**

Have you heard of the Shroud of Turin? It is a 14-foot long “finely-woven linen cloth” that many believe is one of the actual burial cloths of Jesus mentioned in the Gospels.

“The Man of the Shroud” touring exhibit is free for young and old to see, including a full-scale replica of the shroud. It presents the results of a comprehensive scientific and forensic study with numerous photographs and illustrations. The exhibit is the work of the Center for the Study of the Passion of Christ and the Holy Shroud and Monsignor Giulio Ricci and other scientists, who spent more than 25 years researching the shroud.

Can science explain how the image was formed? Were the carbon-14 dating tests correct? The Catholic Church does not take an official stance regarding the shroud’s authenticity, but does say that it is an object worthy of veneration.

Come and learn about the science and history of the Shroud of Turin, the single most studied artifact of all time, then judge for yourself what it truly is.
