ATTENDANCE

Concerts are the ultimate goal and reward of our hard work in a class/ensemble. They are required for all students. Please remember that sports practices and events, as well as other extra-curricular activities do not excuse students from concerts. If your child is too sick on the day of the concert to attend, please call the school and leave a message for his/her music teacher as early as possible. Your student's music teacher must be notified of any irreconcilable conflicts immediately. As always, please check the school calendar and websites regularly for any updates or changes.

CONTACT INFORMATION

Please feel free to contact a music teacher with any questions regarding the concert.
